

## SÉPTIMA EDICIÓN / 2008

Alberto Magrin was born in Rapallo (Genoa-Italy).  
 He studied architecture at Genoa University.  
 He won a study grant with the sculptor Arnaldo Pomodoro at Urbino University and later began a theatrical experience. He received the prize Libertas for visual art and literature from Honorable Ferri, Member of the European Parliament near Italian Academy "Gli Etruschi" and in Turin collaborated to the foundation of the Scientific Association Gustavo Adolf Rol with the aim to demonstrate the victory of the man over the time through the individual attitude of the spirit. In the meantime he has been awarded with the title of Associated Academic of Verbano by the International Academy Greci-Marino for the letters, arts and sciences.
