

# GUANGZHOU INTERNATIONAL PUBLIC ART FAIR

Alberto Magrin

MAGREEN  
GALLERY

BOOTH  
NO.

D-32

He underwent a brief stint in the theatre after having obtained a scholarship to study alongside sculptor Arnaldo Pomodoro at University of Urbino. He was awarded the "Libertas Prize" for visual arts and literature by MP Ferri and collaborated in the creation of the G.A. Roi Scientific Association in Turin, the purpose of which was to demonstrate man's victory over time through the capacity of the individual spirit.
